Your Trusted Healthcare Partner

# Who We Are

*Keizer Solutions is a Business Process Support Organization with an unsurpassed depth of experience in the 'Business of Healthcare'!*

We understand the intricate workings of the entire healthcare ecosystem, having walked in your shoes, and exist to guide our clients through this rapidly evolving maze of processes and regulations to lead you to success in your endeavors. We share your visions of service excellence and maximum ethical financial performance.

# What We Do

Keizer Solutions can assist you with every business process but our core services can broadly be classified under one of these three categories:

**HEALTH INFORMATION SERVICES**

**REVENUE CYCLE MANAGEMENT**

**BUSINESS PROCESS OUTSOURCING**

**Health Information Services**

### **K-TRANSCRIPTIONS**

We recognize that there is no one-size-fits-all solution out there. Accordingly we offer several methods for transcribing patient encounters quickly and accurately in your EMR.

- ◆ **Live**  
You can call into our transcription phone line and dictate.
- ◆ **Voice Files**  
Using a hand-held recording device, you may dictate notes and your docking station sends us the voice file.
- ◆ **Scribes**  
We can provide either a live scribe on site or a virtual scribe who will remotely follow your encounter and reliably transcribe the encounter for you.

### **K-CODE**

Our coding team can timely, accurately and ethically code for services rendered at prices our competition cannot even touch.

### **K-AUDIT/ K-CDI**

To optimize reimbursement, our experts review and audit records expeditiously.

**Revenue Cycle Management**

### **K-RCM**

RCM services to significantly reduce your AR Days, increase the collection rate and reduce the billing costs with our proven methodology.

### **K-AR**

Our K-AR team can assist you in recovering revenues from claims that need that extra bit of work to get paid. We can do that in tandem with your team or independent of your team freeing them up for more urgent tasks.

### **K-AR ANALYZE**

In order to avoid repetitious billing errors and to focus efforts for maximum impact, and to base important strategic decisions on is exactly what K-ARANALYZE does for you.

### **K-STATEMENTS**

Our system makes it easy for your team to upload the information into our system to generate and mail statements and makes it easy for your patients to remit their payments in any way they prefer using our user-friendly systems.

### **K-COLLECT**

For patients who are reluctant to pay their share of the financial obligations, we can take over the collections functions for you.

*We are an agile organization dedicated to innovation and excellence in all healthcare business processes. Our clients commend us for consistently delivering optimum results and a delightful customer experience*
